The slight health risks of some Naturopathic treatments include, but are not limited to; aggravation of pre-existing symptoms, allergic reaction to supplements or herbs, pain, fainting, bruising or injury from venipuncture or acupuncture; and muscle strains and sprains.

**I understand that, as a patient, I am responsible for all costs incurred as a result of the decision including, but not limited to; the cost of all procedures involved in the treatment plan, the care provider’s time, supplements, supplies and appointments missed or cancelled without sufficient notice (48 hours).
